CULVERT PERMIT APPLICATION

Please note: The proposed culvert site must be reviewed by the Town Board or a member of the Town of Hansen Board to determine exact culvert size.

Minimum size in any installation shall be no less than 18 inches x 30 feet.

The finished surface of the culvert must consist of $\frac{3}{4}$ inch road base and may not be higher than the existing shoulder or road surface.

The cost of the culvert and installation is the responsibility of the property owner requesting the permit.
