December 2025

It has been another busy year. This year the Town chipsealed all of Coolidge Road, 1 mile of Grant Road, and 4 miles of Lincoln Road. Road base was spread on McKinley Lane and half of Maplewood Road. Shell rock was spread on ¼ mile of Meunier Road. Culverts were replaced on Tamarack Road and Elm Road and repaired on Maplewood Road. Holes were patched on Elm Road and signs were replaced throughout the township.

The normal day for garbage pickup will be **THURSDAYS** and will be picked up every week except for extreme weather conditions that may delay pickup by a day. Enclosed please find the monthly calendar for garbage and recycling pick-up dates. Please put your garbage and recycling at the end of your driveway the night before as the hauler starts before 5 a.m. in the morning. Garbage pickup is for household garbage, not furniture, tires or other larger items. Electronics such as TVs, computers, monitors, etc. are not allowed. You are only allowed **ONE** cart each week that will be provided to you with Waste Management's name on it. The current cost for garbage is \$241 per year and is on your tax bill. If you would like an additional cart, please contact Tim Miller at Waste Management for cost and billing information. His phone is (608) 399-9509 or email him at [tmille15@wm.com](mailto:tmille15@wm.com). Please continue to use the cart that you were provided for recycling. Recyclables will be co-mingled, please see the website for what can and cannot be recycled.

If you would like to use the Wisconsin Rapids compost site, you may purchase a yearly pass from the Town Clerk. The cost of a yearly pass last year was \$70 and is subject to change based on what the City sets as a price. Please call the Clerk for more information or to purchase a pass.

If you find a stray or lost dog, before you take it to the Humane Society, please call Pam Martinson at 715-569-4393 to look up the dog by tag # or description to attempt to find the owner. This will save the town and the owner from being charged a fee as they charge the town for housing the dog and charge a reclaim fee to release the dog to the owner. The town only contracts with the Humane Society for dogs so if you find any other type of animal you may take it to the Humane Society at your own expense.

The Municipal polling place is shared with the Village of Vesper and is located on Cameron Avenue in Vesper. You can register to vote and request absentee ballots at [myvote.wi.gov](http://myvote.wi.gov). You need to request absentee ballots each calendar year unless you are homebound (indefinitely confined) and cannot

leave your house. We encourage you to register online to avoid extended wait times at the polls. If you register online, you should be in the poll book when you come to vote. Election dates for 2026 are April 7, August 11, and November 3.

Residents are always welcome to attend our monthly board meetings. Those meetings are usually held on the 2nd Tuesday of the month at 7:00 p.m. at the Town Garage on Spruce Road. The agenda is posted on the website [townofhansen.com](http://townofhansen.com) and at the Town Hall. Please check the website as sometimes there is a change in the meeting date or time. You are able to present your concerns for discussion at the public input segment of the meeting.

The building inspector is Dan Hansen and he can be reached at 715-347-7866 or by emailing [owendanhansen@gmail.com](mailto:owendanhansen@gmail.com). You also need to have a culvert permit to put in a culvert. The culvert permit is on the website. If you have any questions about culverts, please contact the Chairman. For remodeling or other than new construction such as out buildings, decks, etc. there is a building permit on the website.

If you have any questions or concerns regarding your township, please contact a board member.

*Wishing All of You a Merry Christmas and Prosperous New Year!*
