**Expenditures and Treasurer Reports:** **A motion was made by Dan, seconded by Wayne, to approve the expenditures and Treasurer reports. Motion carried.**

**Correspondence:** There were letters from a local representative and a state senator. Received a mailing about the new power and a flyer on the technology update from First State Bank. Travis Marti would like to put a culvert in on Maplewood Road south of C. He will do it in the spring and will have the road patched.

**Road and Maintenance Concerns:** Paul applied for the 50/50 road aid through the County. The road is sinking where the power company put lines in.

**Truck Update:** The new plow truck was delivered. The sander unit isn't working correctly so it will need to be taken to Monroe Truck to get fixed. There should be no charge for that as it should be warranty. Paul has the lettering for it and he will get a fire extinguisher for it.

**Pay current bills:** **A motion was made by Wayne, seconded by Dan, to pay the current bills. Motion carried.**

**Old Business:** March 1 is the Board of Review training in Marshfield. Paul and Wayne will attend the training. The bulletin board is here. It will be put up when someone gets a chance.

**New Business:** The board needs to set a board clean up day when it gets warmer out. The old truck needs back up lights. Paul will let Diane know what to order. Paul was wondering if we can get Kwik Trip cards for the trucks. Diane will check on that.

**Public Input:** None
