**Call to Order:** Chairman, Paul Goldberg, called the meeting to order at 7:03 p.m.

**Approval of Clerks Minutes:** The minutes from the May 15, 2025 meeting were read. **A motion was made by Wayne, seconded by Dan, to approve the minutes. Motion carried.**

**Expenditures and Treasurer Reports:** **A motion was made by Dan, seconded by Wayne, to approve the expenditures and Treasurer reports. Motion carried.**

**Correspondence:** On May 26th the power was out in some of the town. There was an accident on the corner of Spruce and 73. The road was damaged when the person was pulled out of the ditch. Paul gave Diane the police report and Diane will contact American Family Insurance as they will be responsible for the road repairs. The resident at 7955 Hwy 73 was not getting garbage pick up. Paul called Tim at WM and got it picked up. CAP Services is offering small business assistance, if anyone needs the information it is in the clerk's office. Paul received a call about a stray cat. He informed the person if they want to take it in, then they will have to pay the cost. The town only contracts with SWCHS for dogs.

**Road and Maintenance Concerns/Decisions:** Mike and his brother have been fixing the road signs that need repair. The chip sealing is done. Wood County patched a hole with a mastic patch. The Sterling truck was repaired by Siems repair.

**Pay current bills:** **A motion was made by Dan, seconded by Wayne, to pay the current bills. Motion carried.**

**Old Business:** The new impact tool was purchased and is in the shop. The Sankey/Hamel fence dispute is ongoing. A fence was installed by Dave Hamel and a fencing company. They have 30 days to pay the bill. If they don't pay the bill then Dave Hamel will pay the bill and turn the receipts into the town. Dave is including a bill for the materials that he paid for and his time for installation.

**New Business:** Duane only wants to run the grader, so Mike asked his brothers to help with sign repairs. Mike would like a weed trimmer for trimming around the signs. The board authorized him to pick one up from the Pittsville hardware store.

**Public Input:** Ralph Hamel said that there is loose gravel that needs to be swept up on the curve by the pipeline.

**Next agenda items:** Fence Update

**Next meeting date:** July 8, 2025 @ 7:00 p.m.

**Adjournment:** **A motion was made by Wayne, seconded by Dan, to adjourn the meeting. Motion carried.** The meeting was adjourned by Chairman, Paul Goldberg, at 7:50 p.m.
