Correspondence: Received MFL paperwork and a sanitary permit. Paul sent in the road report to WisDOT and they received it on 10/01/25. Paul went to the ATC meeting and now they may go down Lincoln Road instead of County Road C. A resident called and needed a new garbage cart, Paul contacted Tim to take care of it. Paul took care of some ditch mowing issues. Wood County Emergency Management is having a meeting about FEMA money, someone needs to attend or the Town cannot get any FEMA money.

Road and Maintenance Concerns: There are potholes on Poplar Lane off of Lincoln Road. Paul will have one of the guys grade Poplar. Paul talked to Roland about training another grader operator. It would be \$150/hour for the County to train someone. Paul took extinguishers in for testing. Paul will order more BNI signs for the properties that need one.

Snow Plow Agreements: The board signed the snow plow agreements with the Town of Seneca, Town of Sigel, and Town of Wood. Diane will email them to the other clerks.

Motion carried.** Diane is going to try to figure out how to set up the .gov emails instead of paying someone to do it. Diane reached out to the Village of Vesper Clerk to see if they wanted to do a one day electronics recycling event. They will discuss it at their meeting and let us know.

New Business: Paul received the contract for SWCHS. Diane will email it to the board to look over. It will be put on the next agenda.
